Actual Picture

A legacy of 124 years
And a commitment of a lifetime.

The Godrej story began in 1897 with Godrej Locks. Since then, we have set several benchmarks. From a state-of-the-art manufacturing facility in Mumbai, we've reached homes, offices, and the hearts of millions of people in India and around the world. With a proud tradition of many firsts, we find ourselves at work every day, building on the foundations of trust that were laid 124 years ago.
